

Christina Moore

Dental Hygienist

Education: Bachelor of Science in Dental Hygiene from Eastern Washington University

Dental Interests: I am interested in staying up-to-date on the latest information and techniques in periodontal therapy and I find great fulfillment professionally in seeing the results of improved oral health in my patients.

Hobbies: I enjoy spending time with family and friends including my husband and our two pets. We take trips to the ocean whenever we get the chance and we have fun exploring new places together.
